The UNITY Messenger

Issue 6

Lines from Linda,

Recently I was asked, “What is happening at Unity?” My first response was Sunday Service, Tuesday class, and about 1/2 of the Twelve Steps Groups have returned to the Center. Upon reflection this was a report of circumstances.

What is happening at Unity is vital energy of Spirit flowing in and through Unity of Peoria. The gatherings aren’t what they were pre-covid because you are not here. The loving activity and movement of spirit’s energy is here always. When people gather there is an increased awareness of this blessing. The vital energy is felt more deeply when we assemble together.

This place, that many have said on their first visit, felt like “coming home,” is here filled with Spirit and awaiting your return. I know you experience Spirit in your life every single day wherever you are. I also know by your testimony that attending services and/or classes increases your awareness of the gifts of Spirit we receive every moment. I, as minister and friend expect to soon welcome you with open arms and celebrate these gifts together. With excited anticipation I joyously await this day.

We are following the recommendations of the Peoria County Health Department which is wise when we assemble. It is good to come together in the activity of oneness as we behold the Christ in all.

Love and Light,

Linda

Praying to be with you soon.

Page 3 Information

IMAGINATION

Imagination is the ability to conceptualize and envision a different future.

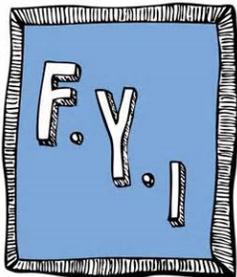

Affirmation: I imagine good unfolding in every area of my life.

Location: Between the eye

Charles Fillmore created Unity's 12 power system over a century ago to provide a link to God through 12 different aspects.

The month of June is represented by Imagination.

“What we see is what will be” is an easy way to remember how important the power of Imagination really is. Creating a reality, in your mind, that you want to have is the first step in actually making that reality happen. The location of the Imagination power is the “seed of intuition” or your third eye. Intuition is a feeling of knowing a future reality, and acting upon that. Imagination falls into this area because one is visualizing a future reality, while also using one's intuition. Now with this power of visualization, there is also the ability to attract negative realities by having negative thoughts. This means that it is important to be able to control one's thoughts and keep imagining realities that are the most fitting for your highest self incarnation.

Edie Godby has resigned from your Board of Trustees. We thank you, Edie for your years of service and look forward to service our ministry for years to come.

The Board met at a special meeting in accordance with our Bylaws and appointed Christy Egart (she accepted) to serve until our 2022 Membership meeting. Thank you, Christy.
